9 The Comparative Statement 'A' speaks for itself. Expenditure was kept at the minimum possible, without sacrificing any necessary items or details. The Staff Accounts worked long hours daily & nightly, as usual. The Registrar who was new, not only to this kind of work but also to the entire setup, & traditions attendant on these festivities at Mysore, did a thorough job of it at very short notice. He was helped to a great extent by the help of; This arrangement was made by the A.G. with a great deal of hesitation ~~as to account~~ not because of any doubts about their Efficiency or honesty, their want of experience in this line of work, and, as no Officer with previous experience was spared by the A.G. for being put on this work but, the choice was more than justified, and the Officer & his team have done their work exceedingly well.
